Headteacher's Message

This week we have had a very successful Transition Week, with all of the children visiting their new classes and spending time with the adults that will be supporting them in class from September. The children have completed many different activities, including team-building exercises, games on the field, artwork... the list goes on! All of the children have been very excited during their transition sessions, and all of the teachers have said how excited they are for September. Over the summer break, we will be looking at the displays in each of the classrooms and the corridors and revamping these for when the children return in September. We are keen that the displays around the school reflect the high expectations that we have of the children, and our school values. In line with this, I have (finally!) managed to design a new Newsletter format that will be relaunched in September! In addition to this, we will also be sharing what the children are covering in their learning on a half-termly basis in a separate Curriculum Letter, which will be shared via email. Please look out for both of these next year! As the children finish at 1:30pm next Friday for the end of term, there will be no Newsletter next week. I would like to take this opportunity to thank all parents and carers for welcoming me into the Peartree community this year, and I am looking forward to continuing to work hard on ensuring that we are providing the best learning experience that we can for every child at our school next year. I hope everyone has an enjoyable and restful summer break!

Request from Miss Ratcliff

I am currently looking to revamp my Reading area in my classroom, and wondered if any parents had any spare or unused cushions or shelving that they were looking to get rid of? If you do, please let me know via the Year 1 door at the start or end of the day. Thank you!
Miss Ratcliff

Video End of Year Reports

Children's End of Year Reports were given out yesterday (Thursday) after school. Thank you to all the parents who have already watched their child's report and have completed the form to confirm this. Please make sure that you scan the second QR code to confirm that you have watched your child's End of Year report. A huge thank you to staff for being so enthusiastic and willing with the video reports. The feedback from the children this morning has been very positive, and it has been lovely to hear the children speaking so animatedly about their own successes and progress from this year. We will be sending out a questionnaire to parents next week to enable us to gather further information regarding the video reports and how useful they were for parents. Please look out for this next week.

Y6 Leavers Lunch – Thursday 20th July

Y6 have chosen the lunch menu for Thursday 20th July, as part of their leaver's celebrations. Their choice for the whole school will be Baguette Day! The filling options available will be cheese, ham, tuna or egg.

Sports Personality of the Week

This week our Sports Personalities of the week are...

KS1: Sonia (Oak Class)

Sonia has been demonstrating her amazing under arm rolling when playing cone bowling this week! Sonia always shows a brilliant attitude towards sport during her PE lessons and after school clubs – well done Sonia!

KS2: Shaun (Birch Class)

Shaun has shown his fantastic commitment to the development of his striking and fielding skills this week during after school club. Well done Shaun, keep up the good work!

Mr Edwards

Clubs

Please note that there will be no PE after school clubs with Mr Edwards next week. Afterschool sports clubs will not run during the final week of term due to other events taking place.

Summer Fair

Thank you in advance for the support with our Summer Fair. Although it is currently quite miserable outside, we are hoping to have as many parents supporting the fair as possible, and hope it will be a brilliant end to our term. Thank you to all parents who donated prizes as these are greatly appreciated. Thank you also to Mrs Hill for all her hard work in organising the Summer Fair!
